

**REMARKS**

The undersigned received the attached copy of a Notice Regarding Power of Attorney mailed on March 2, 2005 indicating that the Power of Attorney forms submitted on February 14, 2005 is "from an assignee and the Certificate required by 37 C.F.R. §3.73(b) has not been received." Applicant respectfully traverses this contention.

Attached hereto is a copy of the Revocation of Power of Attorney submitted on February 14, 2005, along with a copy of the receipt card bearing the date-stamp of the U.S. Patent and Trademark Office mailroom. As can be seen from a careful reading of the Revocation of Power of Attorney form, the form is signed by the inventor, Mr. Yen, not an assignee. Thus, no Certificate is required by 37 C.F.R. §3.73(b).

It is requested that the previously submitted Power of Attorney be entered in this application and that all further correspondence be sent to the address noted on the Revocation of Power of Attorney form.

Respectfully submitted,

Date: March 14, 2005
